Proceedings of the Madras Government, Public Works Department,
23*rd September* 1867.

No. 556. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Camp at Dowlaishweram, 10th September 1867, No. 124 :—

1. Government in their Order No. 1,465, dated 15th May, gave their sanction, at my request, to the Manager of my Office remaining away from Waltair, the head-quarters of the division, for the due performance of Office work, and with especial reference to the preparation of the Administration Report, &c., for 1866-67.

2 Bills for July and August 1867.
1 Controller's Objection Statement.

2. As will be seen from accompanying document, the Acting Deputy Controller of Public Works Accounts refuses to pass the Manager's travelling allowance for July, upon the grounds that immediately the Annual Administration Report was due from my Office, I had no further right to his services in my Office. Although I never intended that the one Report should form the sole ground of his remaining with me.

3. I have required and still require the services of the Manager, there is plenty for him to do here ; if he returns to Waltair there is absolutely nothing for him to do, and his salary would be productive of no good to the public service.

4. Another reason for my keeping the Manager with me up to the present moment, has been that we have been expecting Captain Ryves back in the district, when in giving over charge the presence of the Manager would be desirable. Under these circumstances, I have the honor to request that the Controller be instructed to pass his travelling allowance bills.

No. 557. ORDER THEREON, 23rd September 1867, No. 2,951.

ESTABLISHMENT, No. 63.

The Government will not object to the allowance of Rupees 60 per mensem being passed to the Manager of the Superintending Engineer's Office, if it be certified that he accompanied the Superintending Engineer in his marches, and did not remain stationary for the period during which he has been absent from head-quarters.

Sir,

Government in their Order No 1165 dated 15th May, gave their sanction, as in my regard, to the Removal of any Office requiring away from Kildare, the head quarters of the Division for the due performance of Office work and with especial reference to the preparation of the Administration Report &c. for 1866/67.

2 As will be seen from accompanying documents, the A.G. Deputy Controller of P.W. Accounts refuses to pass the Inaugural Travelling Allowance for duty upon the grounds that immediately the Annual Administration Report was due from my Office I had no further right to his services in my Office. At the same I learned that the one Report should form the sole ground of his remaining with me.

3. I have required & still re=
=quire the services of the Manager,
there is plenty for him to do here
if he returns to Waltair there is
absolutely nothing for him to do,
