Proceedings of the Madras Government, Public Works Department,
26th September 1867.

No. 637. Read the following letter from the Acting Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 23rd September 1867, No. 3,081 :—

With reference to the Order No. 2,884, dated 17th September 1867, directing the preparation of plans and estimates for the erection of pavilion wards at the Monegar Choultry for sixty male and twenty female leper patients, I shall feel obliged if you will inform me whether Government intend the increased accommodation to the Hospital to be provided this year. If the work is to proceed, it is desirable to lay in a stock of bricks to the extent of one or two lacs on the ground, as the Executive Engineer informs me it is extremely difficult during the monsoon to procure the bricks, the kilns being surrounded by paddy fields.

Public Department, No. 1,124, dated 10th September 1867.

No. 638. ORDER THEREON, 26th September 1867, No. 2,992.

CIVIL WORKS, No. 73.

The Government are desirous that the additional accommodation required at the Leper Hospital should be provided *this year* as far as possible, and they accordingly request the Superintending Engineer of the 4th Division to take measures for the collection of materials, and to expedite the submission of the plans and estimates called for in the Order of the 17th instant, No. 2,884.
