Sir,

The Salt Deputy Collector in his letter dated 27th July No 131, reports that the Salt Cutcherry at Krishnapatam is falling into ruin. The centre portion of the building has fallen in. Government in their Order dated 20th March 1867 No 662 — sanctioned an Estimate for a new building amounting to Rupees 1100 to be Constructed on the platform. Will you be good enough to inform me how soon the work is likely to be commenced as it is urgently required. As no provision appears to have been made for the work in the current years Budget a transfer of funds will be necessary —
