G.O. No. 3006 Press Mis.—

665-666

Dated 26. 9. 1867.

Not to be folded or roughly handled

Proceedings of the Madras Government, Public Works Department, 26th September 1867.

No. 665. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Camp at Dowlaishweram, 18th September 1867, No. 130:—

1 Abstract Estimate.
1 Comparative Statement.

1. I have the honor to submit for sanction a supplemental Estimate, amounting to Rupees 170, for certain alterations, &c., proposed by the Chaplain of Vizianagrum, at whose request the estimate is prepared and submitted for sanction.

2. A comparative Statement is also enclosed, from which it will be seen that Rupees 44 is provided in the supplemental Estimate for strengthening the roof of the chancel with three inches brick-jelly in chunam, and two coats plastering and for varnishing the roof ceiling.

3. Owing to the severity of the monsoons in Vizianagrum, the roof with three courses of flat-tiles and one coat of plastering, allowed in the original estimate, is not found to be strong enough, and the varnishing of the wooden roof is needed to obliterate stains, &c., in the wood work.

4. If the small sum (Rupees 170) required for the proposed alterations cannot at present be allotted, I beg permission to complete the work, leaving the excess expenditure to be adjusted later in the year.

No. 666. ORDER THEREON, 26th September 1867, No. 3,006.

CIVIL WORKS, No. 78.

1. The Government sanction the supplemental Estimate of Rupees 170* for completing the chancel to the Church at Vizianagrum.

* Original Estimate	Rupees	1,110
Supplemental do.	,,	170
		1,280

2. Adverting to paragraph 4 of the Acting Superintending Engineer's letter, it is observed that under paragraph 90 of Chapter II. of the Manual of Public Works Accounts no special allotment of funds is necessary to cover the excess now reported.

(True Extract.)
