THE SECRETARY TO THE GOVERNMENT OF INDIA,
PUBLIC WORKS DEPARTMENT.

SIR,

ACCOUNT, No. 72.

With reference to paragraph 2 of your letter of the 9th September 1867, No. 912 A, I am directed to invite attention to the explanation furnished with the application for the re-appropriation of Budget credits on which you communicate the orders of the Government of India. It will be observed that the Minor Works grant for the current official year, which had been fixed at a sum considerably below the authorized limit of one-tenth of the Budget assignment, has been fully appropriated; and as there is therefore no other arrangement by which funds can be provided for the channel along the south side of the Mundapetta canal, and for other works of that character, except by drawing upon the grants made for specific works which may admit of postponement, or the allotments for which may be larger than can be utilized, I am to request that the Government of India will not withhold sanction to my application of the 9th August last in its entirety.

I have the honor to be,
Sir,
Your most obedient servant,
