PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

From the Under Secy. to Govt., Public Works Dept. Here enter 26th July 1867.
From the Quarter Master General..... ,, 31st Aug. ,, No. $\frac{1073}{5619}$

From the Superintending Engineer, 7th Division, Annoor, Coimbatore District, 23rd July 1867, No. 74; to the Secretary to Government, Department Public Works, Madras.

As called for in paragraph 1 of G. O., No. 3778 of 28th November 1866, I have the honor herewith to submit the enclosed plan and estimate of Rs. 6,850, for constructing an Artillery Bullock shed at Mangalore, duly approved of by His Excellency the Commander-in-Chief; and request permission to include the work in the Budget of 1868-69. I have slightly altered the plan, so that both cattle sheds shall be entirely in front of the Guard and accessible at both ends.

Enclosures 1 Plan and 1 Estimate, Detail and Abstract No. 8, Rupees 6,850.

Referred to the Military Department.

(Signed) J. H. M. S. STEWART, Major, R. E.
Under Secy. to Government.

26th July 1867.

Referred to the Commander-in-Chief, (Quarter Master General's Department.)

It is observed in the list of works submitted in the Quarter Master General's letter No. $\frac{864}{8781}$, dated 5th November 1866, that the new shed for the Artillery bullocks at Mangalore was estimated to cost Rupees 1,700. The estimate now submitted is for Rupees 6,850.

Proceedings of Government, Military Department, No. 4233, 5th December 1866.

31st July 1867.

From the Quarter Master General, Head Quarters, Ootacamund, 31st August 1867, No. $\frac{1073}{5619}$; to the Secretary to Government, Military Department, Fort Saint George.

In returning the referred letter from the Superintending Engineer, 7th Division, I have the honor, by order of the Commander-in-Chief, to submit that the Public Works Budget list, sent in to Government by this department, is compiled from those received from Divisional Commanding Officers which are prepared in communication with the local Officers of the Public Works Department.

No. 74, dated 23rd July 1867, with Plan and Estimate.

2. The Executive Engineer at Mangalore now reports that the estimate for the bullock shed at that station was not known at the time the budget list of works, recorded in Proceedings of Government, dated 5th December 1866, No. 4243, was drawn up: and the entry of Rupees 1,700, in the list, was intended merely to represent the amount of allotment recommended for expenditure in 1867-68 on the above account.

3. Lieutenant Thompson further states that the original estimate for the bullock shed was under Rupees 2,500, hence its appearing in the list recorded in above quoted Proceedings of Government, Rupees 6,850 is the amount of the revised estimate ordered to be prepared by the Superintending Engineer, 7th Division.

ORDER, No. 3646, 24th September 1867.
Ordered to lie over.
