Proceedings of the Madras Government, Revenue Department,
24th September 1867.

No. 406. Read the following letter from the Superintending Engineer, 2nd Division, to the Secretary to Government, Department Public Works, dated Masulipatam, 11th September 1867, No. 83 :—

1. With reference to G. O. No. 2,706, dated 3rd instant, and in continuation of my letter of 18th August, on which G. O. No. 1,942, dated 20th ultimo, was issued, I have the honor to suggest that the continuation of the Trunk Road No. 6 from Bezoarah to Perikeed be likewise hereafter considered a local road, as the Ellore canal for that distance forms the Imperial highway.

2. I would also beg to propose that as a first class navigable canal to Buntumilly Salt station is now opened, the line of road from Perikeed to that place (thirty-one miles), hitherto considered a "Salt road," may be in future classed amongst the District lines.

Referred to the Revenue Department.
