MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

Memorandum from the Quarter Master General, Head Quarters, Ootacamund, 11th September 1867, No. $\frac{1183}{5809}$; to the Secretary to Government, Military Department, Fort Saint George.

The Commander-in-Chief has the honor to request that the sanction of Government may be accorded to the 2 houses referred to within being made over to the Department of Public Works, to be demolished.

Docket from the Officer Commanding Hyderabad Subsidiary Force, Secunderabad, 31st August 1867, No. 180; to the Quarter Master General, Fort Saint George.

Forwards herewith reports from Deputy Inspector General Marlow, British Troops, pronouncing Government houses, Nos. 12 and 14, situated in the old Parcherry, No. 5 Battery, 20th Brigade, Royal Artillery, uninhabitable, and requests permission to dispose of them by auction.

From the Deputy Inspector General of Hospitals, British Medical Service, Secunderabad 19th July 1867, No. 154; to the Assistant Quarter Master General, Hyderabad Subsidiary Force.

I beg to acknowledge the receipt of your memorandum, No. 1922, dated 17th instant, and accompaniments, herewith returned.

I have the honor to report that I have inspected the family quarter No. 14, No. 5 Battery, 20th Brigade, Royal Artillery.

I am of opinion that the house is now uninhabitable, and if thoroughly repaired even (without being enlarged), the rooms would not have sufficient cubic space for the requirements of a family.

From the Deputy Inspector General of Hospitals, British Medical Service, Secunderabad, 10th August 1867, No. 300; to the Officer Commanding No. 5 Battery, 20th Brigade, Royal Artillery, Secunderabad.

In accordance with the instructions contained in the regulations for the Medical inspection of Troops, Barracks, Hospitals, &c., I would draw special attention to the public quarters, No. 12, assigned to a Gunner and his family, of the Battery of Artillery under your command.

The building has not sufficient cubic space for the present number of occupants, *viz.* the man, his wife and three children. It is, moreover, badly ventilated, and so infested with bugs as to be wholly unfit for habitation.

ORDER, No. 3600, 21st September 1867.

Sanctioned.
