1. In the Statement above recorded the Superintending Engineer of the 7th Division shows that there will be savings to the extent of Rupees 22,650 on the current year's allotments for three Military works in Malabar, and that additional grants, amounting in the aggregate to Rupees 39,061, are required for certain other Military works in that District and in Coimbatore.

2. Deducting this transfer and the probable expenditure up to 31st March next, the sum now available from the assignment for the former work is Rupees 13,690, which, added to the savings on the other two items adverted to in paragraph 1, gives a total of Rupees 19,090. This amount will now be transferred to the Lawrence Asylum works, and the Superintending Engineer will be requested to bring forward his other requirements in the General Statements of "Savings and Demands" which he will shortly lay before Government.
