Proceedings of the Madras Government, Public Works Department, 30th January 1867.

No. 622. Read the following letter from the Controller of Public Works Accounts, to the Secretary to Government, Department Public Works, dated Madras, 28th January 1867, No. 3,483 :—

With reference to paragraph 2 of G. O. of the 22nd instant, No. 212, I regret to say the deductions have not been regularly made in Mr. Brosnahan's abstracts for September last; these were omitted in the abstracts both by Mr. Brosnahan and Mr. Fraser, and the Head Salary Auditor in this Office, who has not been in good health for some, and absent altogether for the last two months, appears to have lost sight of the matter, and given no instructions regarding it to the Clerk acting for him. As soon as Mr. Brosnahan told the circumstance, I requested he would pay into the Bank one instalment for December, and double instalments for January, February, and March, and this he agreed to do in order to complete the payments for this official year; but as March's salaries have to be paid in April, it will be necessary for him to make double instalments for November last, which should be no difficulty to him, as he had no right to take the money at all.

No. 623. ORDER THEREON, 30th January 1867, No. 307.

ESTABLISHMENT, No. 38.

Mr. Fraser is requested to call upon Mr. Brosnahan to take measures for completing his family payments for the current official year by the 31st March next.
