Proceedings of the Madras Government, Public Works Department, 4th October 1867.

No. 70. Read the following letter from the Superintending Engineer, 6th Division, to the Secretary to Government, Department Public Works, dated Gundramanikum, 20th September 1867, No. 905 :—

Enclosure 1.

1. I have the honor to enclose an original letter from the Executive Engineer at Trichinopoly, recommending that the Writer attached to Mr. Supervisor Cahill's Office may be allowed Rupees 15 per mensem from the Jail estimate, in addition to his proper salary of Rupees 15, on account of the extra work thrown upon him owing to Mr. Cahill's double charge of the Central Jail works and of the Military buildings.

2. The Writer has been ten years in the service, and there appears to be no prospect of vacancies in the Office Establishments to admit of his promotion, and as there is no doubt a very large amount of work devolves upon him, I would request that, as a special case, his salary may be supplemented by Rupees 15 from the Sundries in the Central Jail Estimate, or from the allotment for Petty Establishments.

From the Executive Engineer, Trichinopoly, to the Superintending Engineer, 6th Division, dated Trichinopoly, 3rd September 1867, No. 665.

1. I have the honor to bring to your notice the case of Ramanjooloo Raju, Establishment Writer under Mr. Cahill, who receives only 15 Rupees per mensem, a very inadequate remuneration for the enormous amount of work he has to do.

2. He has all the accounts of the Central Jail in addition to those of the Cantonment works, roads, &c.

3. Mr. Cahill's cash-book forms indeed monthly a perfect volume, and as this has to be kept in duplicate, the preparation of it alone is a very onerous task.

4. The man has been ten years in the department, and is very highly recommended by Mr. Cahill, while I can myself testify to his merits as a very hard working, deserving man.

5. I shall, therefore, feel extremely obliged if you will grant, or recommend, if it be not in your power to grant, an increase of 15 Rupees per month to his pay.

6. The Central Jail Estimate may be debited with the amount, as the cost of its superintendence cannot be said to be excessive.

No. 71. ORDER THEREON, 4th October 1867, No. 3,081.

ESTABLISHMENT, No. 8.

Under the circumstances brought to notice in these papers, the Governor in Council is pleased, as a special case, to sanction the proposed increase of Rupees 15 per mensem to the salary of the Writer attached to Mr. Supervisor Cahill's Office for such period as he may be engaged in keeping the accounts of expenditure on the new Central Jail at Trichinopoly. The additional charge will be debited to the general allotment for Establishments.

Sir,

I have the honor to bring to your notice the case of Ramanjooloo Raju Establishment Writer under Mr. Cahill, who receives only 15 Rupees per mensem - a very inadequate remuneration for the enormous amount of work he has to do.

He has all the accounts of the Central Jail in addition to those of the Cantonment Works, Roads &c.

Mr. Cahill's Cash Book forms indeed monthly a perfect Volume and as this has to be kept in Duplicate, the preparation of it alone is a very onerous task.

The man has been 10 years in the Department and is very highly recommended by Mr. Cahill, while I can myself testify to his merits as a very hard working deserving man.

I shall therefore feel extremely obliged if you will grant, or recommend, if it be not in your power to grant, an increase of 15 Rs per month to his pay.

The Central Jail Estimate may well be debited with the amount, as the cost of its superintendence cannot be said to be excessive.
