G.O. No. 3091 Press
Mis.
91-92
Dated 5: 10. 1867.

Not to be folded or roughly handled

No. 91. Read the following letter from the Inspector General of Jails, to the Chief Secretary to Government, Fort St. George, dated Ootacamund, 19th September 1867, No. 101 :—

With reference to the letter from the Superintendent of the Central Jail at Coimbatore, and that from the Superintending Engineer herewith forwarded, I have the honor to request that such of the surplus building materials left at the Central Jail, as may not be required by the Executive Engineer for other works at Coimbatore, may be placed at the disposal of the Superintendent of the Jail, with a view to their being made use of in the construction of his house and of the Warders' lines.

From Jail Superintendent, dated 6th September 1867, No. 91.
Do. Superintending Engineer, dated 12th September 1867, No. 119.

From the Superintendent of Central Jail, Coimbatore, to the Inspector General of Jails, Ootacamund, dated Coimbatore, 6th September 1867, No. 91.

1. The Public Works Department will very shortly give over the Central Jail as completed, and as there is a great quantity of material, such as rough stone, bricks, tiles, bamboos for scaffolding, &c., &c., which has not been expended, and as most of these things will be useful in building the Superintendent's house, also Warders' lines, houses for the Hospital Dressers, &c., &c., I have the honor to request that sanction may be obtained that the refuse material of all kinds may be delivered over to me to be used in the buildings abovementioned, and that it may not be sold by auction for what it will fetch.

2. The Superintending Engineer, Colonel Walker, says that I can have all the material on payment, but as it has already been paid for by Government, in the Public Works Department, for the Central Jail, I should think it might be handed over to the Jail Department to be further expended on the Superintendent's house, and other buildings connected with the Jail.

From the Superintending Engineer, 7th Division, to the Inspector General of Jails, dated Cochin, 12th September 1867, No. 119.

I have the honor to state that there is no objection to Mr. Grimes's proposal in the letter* accompanying your No. 1,169 of 9th September, and herewith returned, being submitted for the orders of Government. Only, care should be taken to guard against any impression that the materials in question are "refuse," and that any *cash* payment on their account was contemplated by me. Mr. Roberts may require some of the surplus materials at the Jail for other works at Coimbatore; such as he does not want may be either transferred to the Jail Department, and credit given him for its cost price; or, on receipt of Government orders to that effect, they can be simply left at the disposal of the Jail Superintendent without such nominal payment.

* No. 91 of 6th September 1867.

Transferred to the Public Works Department.
