LICENSE.

His Excellency the Governor General in Council is pleased, under the provisions of the second Section of the Act VIII. of 1860, entitled "an Act for regulating the establishment and management of Electric Telegraphs in India," to permit the Madras Irrigation and Canal Company to establish a line of Electric Telegraph along the course of the Company's Canal from Soonkasala, about eighteen miles west of Kurnool, to a spot adjoining the Railway Station at Cuddapah, about three miles from the Canal, subject to the following conditions:—

1. The system adopted on the lines of Government Electric Telegraph in respect of instruments, alphabet, and transmission of messages, shall also be adopted and strictly followed by the Madras Irrigation and Canal Company, and the Officers of the said Company shall conform to all instructions they may receive in that behalf from the Director General of Telegraphs in India.

Manager for the I & Co / " dated 1/2/67

2. The Madras Irrigation and Canal Company shall not convey between any two places connected by a Government Telegraph any messages, except such as directly and immediately concern the working of the canal, but where no Government line of Electric Telegraph has been, or shall be established, the conveyance of any messages by the Madras Irrigation and Canal Company's Telegraph is permitted.

3. Whenever the conveyance of messages on account of the public is carried on by the Madras Irrigation and Canal Company's Telegraph, the Government shall have priority for its messages, on paying for them at the usual rates.

4. If the Government shall at any time desire to construct a line of Electric Telegraph along the line of the Canal, or along any part of that line, the Government shall be at liberty to use, for the wires of such Telegraph, the posts erected by the Madras Irrigation and Canal Company, on paying to that Company one-half of the cost of the posts so made use of.

5. The Government shall have the right of erecting a separate Telegraph line of its own at any future time within the Canal boundary, and shall have a right of way for their Inspectors, artificers, workmen, and others engaged in the construction or repairs of such line.

This License is revocable on the breach of any of the conditions herein contained.

The License granted on the 28th August 1866 is hereby revoked.
