Proceedings of the Madras Government, Revenue Department, 7th January 1867.

No. 58. Read the following Proceedings of the Board of Revenue, dated 21st December 1866, No. 9,066 :—

Read again letter from the Collector of Malabar, dated 5th December 1866, recorded in Board's Proceedings, 12th December 1866, No. 8,792.

Read also the following letter from the Collector of Malabar, to the Secretary to the Board of Revenue, dated Calicut, 17th December 1866, No. 322.

1. Adverting to Board's Proceedings noted, I have the honor to state that the items I there propose to transfer from the District Road Funds are not urgently required this year. It was on that account that I proposed to transfer them to the Imperial works where work is urgently required, and for which work there are not sufficient Imperial Funds provided.

No. 8,792, dated 12th December 1866.

2. Adverting to the second paragraph of the Board's Proceedings, I have the honor to observe that the proceeds of all Ferry Farms in the district, whether on Imperial or District lines, are carried to the Local Funds, and, I trust, will continue to be so credited, occasional assistance being given to Imperial works, where necessary, as in the present case.

3. I would beg that the works now under immediate reference may be sanctioned, or serious inconvenience may arise.

---

1. Ordered that the foregoing papers be submitted for the consideration and orders of Government.

2. In view of the apparent urgency of the case (for the Board infer that the bridges for repairing which the money is required are not safe in their present state), the Board recommend the proposed transfer of Local Funds as an advance to be recovered from the Imperial Grant next year.

3. The proceeds of Ferry Farms on Imperial lines of road are rightly credited to Local Funds, under the orders of the Supreme Government; but the repairs of the immediate approaches should be a first charge on them.

4. The Collector is referred to Circular Order, (Standing No. XXII.,) dated 15th March 1864.

No. 59. ORDER THEREON, 7th January 1867, No. 30.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 12th December 1866.

Read the following letter from G. A. BALLARD, Esq., Collector of Malabar, to the Secretary to the Board of Revenue, dated on Circuit at Vytry, 5th December 1866, No. 316A:—

1. The repairs, which are provided for in the enclosed estimates, are much required. The bridges occur on the coast road, an Imperial line; but the Imperial maintenance allowance is insufficient to carry out extraordinary repairs, and Colonel Walker can only provide a moiety of those now proposed from Imperial Funds.

2. I beg, therefore, the Board's sanction for the transfer of the amounts noted for expenditure as below:—

3. I would request the favor of early orders.

ENCLOSURE No. 1.—Estimate.

1. The Board are not prepared to sanction the transfer of Funds, from Local Fund sanctioned works, to the repair of Imperial Works; but, if the Collector can point to any surplus Local Funds not assigned or required for their proper purpose in the current year, the Board will apply to Government, for sanction to advance what can be spared, on the understanding that the Local Fund is to be reimbursed next year.

2. The Collector, of course, understands that the proceeds of Ferry farms, on Imperial lines of road, are to be appropriated to their repair.
