Proceedings of the Madras Government, Public Works Department, 8th October 1867.

No. 126. Read the following letter from the Quarter Master General, to the Secretary to Government, Military Department, dated Head Quarters, Ootacamund, 14th September 1867, Nos. 1,227/5,866 :—

1. With reference to Proceedings of Government No. 340, dated 25th January 1865, and telegram, as per margin,* from this Office to the address of the Secretary to Government, Public Works Department, I have the honor, by order of the Commander-in-Chief, to submit for the approval of Government a list of the Military "Major Works," amounting to Rupees 9,85,095, for which His Excellency recommends that funds should be provided in the Budget of 1868-69.

* 4th September 1867.

"Adverting to Government Order two six "seven four of thirtieth ultimo, Budget Lists "of works to be executed, received from Divi- "sions, amount in the aggregate to about "twenty-six lacs for "Major" and "Minor" "Works. The Commander-in-Chief recom- "mends that works to the extent of eleven lacs "should be included in Budget of ensuing "official year. These are exclusive of the "Lawrence Asylum. This amount does not in- "clude what will be needed for "Repairs." "Detailed lists are under preparation for sub- "mission to Government."

2. A list of works estimated at less than Rupees 2,500, amounting to Rupees 1,02,552, to be provided for out of the "Reserve" that may be allotted in the Budget of 1868-89, is also forwarded for approval.

3. The Commander-in-Chief will hereafter submit Supplementary Lists of both "Major" and "Minor" Works which are required, but are not so urgently necessary as those specified in the accompanying lists. Should the funds allotted by the Supreme Government in the Budget of 1868-69 for Military Works in this Presidency, exceed the aggregate given in the enclosures, His Excellency would wish the works mentioned in the Supplementary Lists to be taken into consideration to such extent as the Budget grant will admit.

Transferred to the Department Public Works.

We have been allotted for

No. 127. ORDER THEREON, 8th October 1867, No. 3,108.

MILITARY WORKS, No. 7.

1. The Government proceed to pass orders on the List of Military Works which His Excellency the Commander-in-Chief recommends for entry in the Budget of 1868-69.

Eighteen blocks of Family Quarters for Warrant Officers, &c., serving at the Arsenal in Fort St. George.

2. The amount sanctioned for these buildings is Rupees 76,500, of which Rupees 5,000 were spent up to 31st March last, and Rupees 63,756 have been allotted for expenditure during the current official year. The sum which has thus to be provided in the outgoing Budget is Rupees 7,744.

Egg-shaped and tiled Drains for the Native Infantry Lines at Royapooram.

3. In Military Proceedings of the 14th September 1867, No. 3,476, the Government declined to sanction the estimate of Rupees 20,000 submitted with the Superintending Engineer's letter of the 21st August last, No. 2,469, and observed that it would be sufficient for the present to limit the provision of drains for these lines to such ordinary open drains as may be found to be absolutely necessary.

Purchase of land, &c., for the new Lines of the Native Infantry Regiment stationed at Vepery.

4. In paragraph 3 of the Order in the Military Department of the 6th May 1867, No. 1,637, the Government ruled that provision to the extent of Rupees 70,000 should be made in the *Military* Budget of 1868-69, to meet these charges.

Barracks for the Horse Artillery at the Mount

5. The plans and estimates for these buildings were returned with Military Proceedings of the 5th September 1867, No. 3,332, and the Superintending Engineer has been instructed to submit in lieu an estimate for the erecti[on] of buildings for the accommodation of a *second Field Battery*.

New Female Hospital for European Troops at the Mount, with out-offices, &c.

6. The aggregate of the estimates for these works, as sanctioned in G. O. No. 1,979, of the 3rd July 1867, including quarters for an Apothecary, is Rupees 32,290, of which Rupees 10,000 have been allotted this year, leaving a sum of Rupees 22,290 to be provided hereafter.

Stables for the horses of the Royal Artillery at the Mount.
Do. for the horses of the Battery of Artillery at Trichinopoly.

7. The plans on which these stables are proposed to be built, not being in accordance with the standard design, will require the approval of the Government of India before the works can be put in hand. It will accordingly be considered in the Military Department, with reference to the Orders marginally noted, whether the plans adopted by this Government are to be adhered to, or the estimates revised in accordance with the design furnished by the Government of India.

No. 2,731, dated 5th September 1867.

8. As the estimates for the undermentioned works have not yet been submitted to Government, it will be considered in the Military Department whether objections exist to the inclusion of any of them in the outgoing budget:—

1. Guard-room, &c., to the Reserve Powder Magazine at the Mount.
2. Ridge ventilators over the roof of the Depôt Hospital at Poonamallee.
3. Duff's Kitchen ranges for the Barracks at Wellington.
