PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

Proceedings of the Board of Revenue ... ... Here enter 21st December 1866, No. 9080.

From the Quarter Master General..... ,, 19th July 1867, No. $\frac{720}{4735}$.

Proceedings of the Board of Revenue, dated 21st December 1866, No. 9,080.

Read the following letter from the Collector of Vizagapatam, dated 4th December 1866, No. 903; to the Secretary to the Board of Revenue.

1. Referring to Miscellaneous Circular, No.LXXXII, (Board No. 4,001,) dated 14th July 1865, I have the honor to forward, herewith,

1 Plan of the site selected as a Cholera Camp at Vizagapatam.

1 do. do. at Vizianagrum.

2. Both selections have been made in communication with, and with the concurrence of the Military authorities.

3. In the Vizagapatam plan, there are two sites entered, but that marked No. 2 is the one selected. Part of it is the property of the Honorable the Maharajah of Vizianagrum, and part of G. N. Gajapatirao, who have both agreed to let us have the land gratis, with the proviso that, in the event of there being any cultivation on the ground when it is actually occupied, the Government will grant compensation for the same. The approach is always clear, there being a made road to it. The accommodation is for one Regiment of Native Infantry.

4. It will be observed that there are three wells in the vicinity of this site. These the Military authorities wish to be cleared out and repaired; and a few of the trees over-hanging the same cut away. This will cost Rupees 70, for which sanction is required.

5. The Vizianagrum site is a piece of waste land on the road to Gazapatinagrum, about two miles from the Cantonment. It belongs to the Honorable the Maharajah of Vizianagrum, who has liberally made it over to us for encamping purposes, free of cost. The approach, it will be observed, is free. The accommodation is for a full Regiment of Native Infantry. Water is procurable from wells and tanks in the vicinity and from a spring at the point marked B in the plan.

ENCLOSURES Nos. 1 and 2.—Plans.

---

1. Submitted for the information and orders of Government, with reference to Government Order dated 10th April 1866, No. 816, Revenue Department.

2. Sanction is requested for the expenditure of Rupees 70 in clearing wells on the sites.

3. The thanks of Government are due to the Vizianagrum Zemindar for his liberality.

Referred to the Commander-in-Chief, (Quarter Master General's Department), with advertence to Proceedings of Government, 3rd and 27th June 1865, Nos. 2074 and 2395.

16*th January* 1867.

From the Quarter Master General, Head Quarters, Ootacamund, 19th July 1867, No. $\frac{720}{4735}$; to the Secretary to Government, Military Department, Fort Saint George.

Regarding sites for cholera camps at Vizagapatam and Vizianagrum, and the expenditure of Rupees 70 for clearing wells on the former site.

Adverting to your docket dated 16th January 1867, and departmental memorandum of the 11th instant, I have the honor, by order of the Commander-in-Chief, to solicit reference to the Proceedings of Government of the 18th February last, No. 594.

2. In consequence of the Sanitary Commissioner's objections to the sites selected as cholera encamping grounds for the several stations therein mentioned, local Commanding Officers were again communicated with on the subject.

3. On the receipt of the replies from Berhampore, Samulcottah and Vizagapatam they were duly forwarded to the Sanitary Commissioner: and in a letter dated 30th April last, the Honorable Mr. Ellis intimated to this Department that under the explanation afforded, together with the possibility of temporarily closing some of the roads running near these camping grounds, he had no objection to offer against the present selected camp sites for these stations.

4. The Officer Commanding Northern District was informed accordingly that these sites were approved of—that is, the sites reported on in the Sanitary Commissioner's letter recorded in the Proceedings of Government above quoted.

5. I am directed by His Excellency to recommend that sanction be accorded for the charge (Rupees 70) for clearing the three wells at the Vizagapatam site, mentioned in Mr. Carmichael's letter of the 4th December last, No. 903.

6. The question regarding an eligible site at Vizianagrum is still under reference to the Officer Commanding Northern District.

ORDER, No. 3792, 3rd October 1867.

The sites for cholera camps at Berhampore and Samulcottah are approved accordingly, and, in case the expenditure for cleaning the wells on the Vizagapatam ground has been already incurred, sanction is accorded,—otherwise, under paragraphs 5 and 6 of the Order of Government noted in the margin, the work need not be undertaken, and, pending reply to paragraph 13 of the same Order, no expenditure should be incurred for the site at Samulcottah.

Rupees (70) *seventy.*
