Proceedings of the Madras Government, Public Works Department,
8th October 1867.

No. 136. Read the following Proceedings of the Government of India, in the Public Works Department, (Military Works,) dated Simla, 16th September 1867, No. 90 :—

Plans of Military Stations in India.

The following extract of a letter from the Surveyor General of India, dated 5th August 1867, to the address of the Government of India in the Home Department, forwarded to the Local Governments and Administrations marginally noted, for information and guidance, in continuation of Public Works Department Circular Resolution No. 39, dated the 17th April 1867.

Government of Bengal.
" of North-Western Provinces.
" of Punjab.
Chief Commissioner of Central Provinces.
" " of Burmah.
" " of Oudh.
Commissioner of Mysore.
Resident at Hyderabad.
Agent Governor General, Central India.
" " " Rajpootana.

By order, &c.,
(Signed) C. H. DICKENS, Colonel, R. A.,
Secy. to the Govt. of India.

***Extract** from letter from the Surveyor General of India, to the Secretary to the Government of India, Home Department, Simla, dated the 5th August* 1867.

" It does not appear to me necessary that the Plans, No. 3 on the scale of $\frac{1}{3600}$ or 10·56 feet to the mile, of Military buildings, should contain the features of the ground in their neighbourhood (such information requiring special engineering surveys at a high cost), or that when the buildings are situated at great distances apart (as in the case of large Military stations, where, for convenience and to obtain suitable building accommodation, barracks of different corps occupy distinct sites), that these should be shown in their positions, as all this information will be sufficiently given in the Topographical Plans Nos. 1 and 2 on the $\frac{1}{4}$-inch and 6-inch scale respectively."

Copy to Governments of Madras and Bombay; Military Department; Adjutant General; Quarter Master General; Sanitary Commissioner for Bengal, and Surveyor General of India, for information.
