*Proceedings of the Madras Government, Judicial Department,
4th October 1867.*

No. 37. Read the following letter from the Inspector General of Jails, to the Chief Secretary to Government, Fort Saint George; dated Ootacamund, 25th September 1867, No. 104.

I have the honor to report that Major Farewell, Executive Engineer, Neilgherries, has applied for a party of 40 convicts to be located in the Chuttrum at Pykara for four or five months, commencing 1st December next, and to be placed under his orders, for the purpose of completing the road.

2. The last gang was very healthy, and the labor satisfactory. I, therefore, submit Major Farewell's proposal for favorable consideration. He has ascertained that the Collector has no objection to the temporary occupation of the Chuttrum, and he will duly communicate with the Police authorities on the subject of a guard, and prepare quarters for the reception thereof as before.

3. An establishment, similar to that sanctioned on the last occasion in the Order noted in the margin, will be required, viz:—

	RS.
1 Jailer...	30
2 Warders, 12 Rupees each.	24
Horse allowance to Apothecary at Neddiwuttum..	30

4. The last party was sent from Ootacamund, but as the labor of the convicts there is required at the Jail, I propose to detach the men for Pykara from the Lawrence Asylum Works Jail, where they can be spared.

5. I take this opportunity to report that 100 convicts are being selected at Cuddalore for transfer to the Lawrence Asylum Works Jail, and that the number there shall be made up to 500, as authorized by Government, when sufficient additional accommodation has been completed.

Judicial Department, 10th July 1867, No. 1094.

No. 38. ORDER THEREON, 4th October 1867, No. 1589.
The arrangement proposed in the foregoing letter is sanctioned.
