*Proceedings of the Madras Government, Revenue Department,
8th October 1867.*

No. 182. Read the following Proceedings of the Board of Revenue, dated 1st October 1867, No. 6,259.

Read the following letter from the Collector of Tinnevely, to the Secretary to the Board of Revenue, dated Tenkasi, 11th September 1867, No. 499 :—

1. In reply to the Board's Proceedings, No. 5,610, dated 29th August 1867, I have the honor to inform you that the Superintending Engineer has just submitted to the Central Office detailed plans and estimates for the proposed Strivycuntam anicut; the estimate amounts to nearly seven lacs of Rupees.

2. I have given the approximate area likely to be affected in paragraph 6 of my letter of 24th June; these figures were taken from the Curnums' accounts, and are probably far below the mark, as the Curnums calculate on the present water level in their villages, while the Strivycuntam anicut will head up water thirty-one feet above the sea level at Tuticorin.

3. The amount subscribed by the ryots now amounts to Rupees 24,374-7-5.

The foregoing letter will be submitted for the information of Government, in continuation of the Board's Proceedings, under date 29th August 1867, No. 5,610.

No. 183. ORDER THEREON, 8th October 1867, No. 2,366.

Irrigation, No. 6.
