*Proceedings of the Madras Government, Public Department,
9th October 1867.*

No. 76. Read the following letter from the Collector of the Godavery District, to the Chief Secretary to Government, Fort Saint George; dated Cocanada, 24th September 1867, No. 21.

In reply to Government Proceedings, Public Department, No. 1094, of 5th instant, I beg to state that I have consulted the Dispensary Committee here, and they agree in saying that they are willing to take over, as an adjunct to the Dispensary, the Assistant Apothecary's quarters, and keep them in repair, receiving the house-rent now paid by him to Government, provided that Government will previously execute the repairs of which the building *now* stands in need.

2. They have come to this decision because the requisite repairs will probably require the expenditure of two or three years' rental, and the funds of the Dispensary are not rich enough to bear such an outlay.

No. 77. ORDER THEREON, 9th October 1867, No. 1245.
Orders will be issued in the Public Works Department for the execution of such repairs to the building in question as may be absolutely necessary. It will then be made over to the Committee of the Cocanada Dispensary.
