Proceedings of the Madras Government, Public Works Department.
12th October 1867.

No. 248. Read the following letter from the Superintending Engineer, 5th Division, to the Secretary to Government, Department Public Works, dated Salem, 9th October 1867, No. 141 :—

1. In reply to your Memorandum No. 205, I have the honor to state that the plan and estimate for Slaughter-houses, called for in G. O. No. 679, dated 7th March 1867, have not been forwarded, as plans and estimates for works much more urgently required must first be prepared. Funds are not likely to be available for the construction of the Slaughter-house at Bangalore this year or even next.

2. The Executive Engineer informs me that the Executive Commissariat Officer considers the Slaughter-house, of which the Municipal Department has charge, amply supplies the wants of the station. The Military authorities have not expressed any wish for the construction of another building.
