MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter :—
From the Quarter Master General, Head Quarters, Ootacamund, 24th September 1867, No. ¹³⁸⁷₆₀₉₆; to the Secretary to Government, Military Department, Fort Saint George.

There is a building in ruins in the Fort of Trichinopoly borne on the return of Military buildings as "sulphur godown." A lengthened correspondence has taken place, dating as far back as April 1866, originating in a claim made to the materials of the ruin by one Tambooran, Agent for Thoyman Pagoda, who sold the stones, some of which were carried away, but the Executive Engineer objected, and appropriated them for public purposes. A case was then filed in the Civil Court. The decree was given against the pagoda, and the Judge decided the building in ruins to be the property of Government, as per decree attached.

2. Under the circumstances as above stated, I am directed to request that the building, being of no use, may be struck off the returns, and made over to the Executive Engineer, that the materials may be disposed of to the best advantage.

3. But, should it be thought advisable to refer the matter for the opinion of the Government Solicitor, I have the honor to enclose further correspondence as per margin for his perusal.

Letter from Officer Commanding Southern Division, No. 161, dated 27th April 1866.
