*Proceedings of the Madras Government, Public Works Department,
15th October 1867.*

No. 300. Read the following letter from the Acting Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 7th October 1867, No. 3,203 :—

1. In reply to Order of Government, dated 18th September 1867, No. 2,901, directing me to report what has been done regarding the preparation of revised plans for the Arsenal, Gun Carriage, and Bullet Factories, and the submission of a matured project in communication with the Military authorities with reference to these buildings and to the proposed site, called for in G. O. No. 358 of the 30th January 1866, I have the honor to state that it does not appear that any steps

* Letter from Deputy Assistant Quarter Master General, Centre Division, No. 2,980, dated 5th October 1867. have been taken in the matter in connection with the authorities* concerned, though I believe the plans have been

under consideration by Colonel Boileau as he sent for them from Office.

2. I have been on a tour of inspection since the receipt of the Government Order, but I shall now, in communication with the Officers concerned, submit the necessary report and plans and estimates as soon as possible.

No. 301. ORDER THEREON, 15th October 1867, No. 3,196.

MILITARY WORKS, No. 24.

Communicated to the Inspector General of Ordnance and Magazines with reference to his letter of the 6th September 1867, No. 149.

(True Extract.)

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.

To the Military Department.
" Inspector General of Ordnance and Magazines.
" Superintending Engineer, 4th Division.

N^o 3203. *Superintending Engineer's Office*
4th Division Madras
7th October 1867.

From
Lieutenant Colonel J. Bean R. E.
Acting Superintending Engineer
4th Division

To
Colonel C. A. Orr R. E.
Secretary to Government P.W.D.

Sir,

In reply to order of Government dated 18th September 1867, N^o 2901 directing me to report what has been done regarding the preparation of revised plans for the Arsenal, Gun Carriage, and Bullet Factories, and the submission of a matured project in communication with the Military authorities with reference to these buildings and to the proposed site, called for in G. O. N^o 358 of the 30th January 1866, I have the honor to state, that it does not appear that any steps have been taken in the matter in connection with the authorities concerned, though I believe the plans have been
