No. 312. Read the following Endorsement of the Consulting Engineer for Irrigation and Canal Company, dated Madras, 8th October 1867, No. 93:—

Read the following letter from the Agent and Manager of the Madras Irrigation and Canal Company, to the Consulting Engineer for Madras Irrigation and Canal Company, dated Madras, 4th October 1867, No. 296.

1. In September 1862 a sum of Rupees 100 was advanced in the Bowanassy Division to a certain Rungiah Naidoo, for the collection of stone, &c., for the Erragadoor bridge.

2. I found the amount in suspense when I took charge, but Rungiah Naidoo could not be found, and an adjustment was therefore impracticable.

3. Information has lately been received of the man, but it is only to report his death, and I therefore recommend that the amount be written off to profit and loss.

Submitted for the orders of Government, with a recommendation that the debit to profit and loss of the sum, Rupees 100, advanced in 1862 to a Contractor Rungiah Naidoo, since dead, for the collection of stone for the Erragadoor bridge in the Bowanassy Division, be authorized.
