MILITARY DEPARTMENT.
PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

Memo. from the Secy. to Govt., P. W. Dept..... Here enter 9th September 1867.
From the Quarter Master General..... " 27th " " No. ¹⁴⁵⁰₆₁₅₈
From the Acting Superintending Engineer, 4th Division, Madras, 6th September 1867, No. 2762; to the Secretary to Government, Public Works Department, Fort Saint George.

With reference to the Orders of Government as per margin, I have the honor to report that I have been in personal communication with the Barrack Master, regarding the location of a second Captain of Artillery in Fort Saint George, and that no permanent quarters can be appropriated for this Officer without dislodging one of the Government Offices at present located in the Fort.

G. O., No. 1976, dated 23rd June 1866.
" " 2336, " 2nd August 1867.
" " 2491, " 14th " "

Enclosure.
1 Sketch.

2. The enclosed sketch of the Fortress with a block plan of the buildings shews the situation of the quarters provided for the Regimental Officers, amounting to thirty in number, and of the Public Offices.

3. The proposal of building an upper story to the old Admiralty quarters having been negatived, I beg to recommend that Colonel Worster's suggestion of adding on rooms to the Subalterns' quarters at the site known as the late Civil Auditor's Office be adopted, but to afford quarters for a second Captain of Artillery not for two Subalterns.

4. This site is indicated in yellow on the plan, it is the most favorable one if any extension of existing buildings is contemplated, and the prevailing winds being north, south, and south-west, the sea breeze will not be much intercepted by this addition to the block.

Referred to the Military Department.
