G.O. No. <u>3211</u>	Press ~~Mis.~~
<u>321-328.</u>	
Dated <u>17-10-</u>	<u>1867.</u>

Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
17th October 1867.*

No. 327. Read the following Circular from the Government of India, Public Works Department, (Account,) dated Simla, 30th September 1867, No. 97.
Losses by sale of unserviceable stores and by losses of stock.

Read—
Standing Order No. 11 of 1867.

RESOLUTION.—Hitherto there appears to have been some misconception in the Public Works Department of the intentions of the Government of India as to the mode of adjusting certain descriptions of losses of stock.

2. The Standing Order just read was issued in order to show clearly what class of items the Government of India considered ought to be charged to profit and loss. It was there laid down that only losses of stock caused by robbery, fire, storm, flood, or any other extraordinary occurrence, should be adjusted in this manner.

3. The losses of stock intended to be referred to in Article 33, ii., XX of Code as possibly chargeable to profit and loss were losses of the kind specified in this Standing Order. Losses from the ordinary mishaps in manufacture, the ordinary wastage in work, as well as from deterioration and such causes, are intended to be covered by proper margins being allowed on the issuing rates of stock, which should be framed to cover all ordinary charges.

4. Charges made to profit and loss in the accounts of an Executive Engineer, should invariably be reported to the Government of India in sufficient time to admit of orders being passed on them before the books of the year are closed.

5. As a rule none but pure losses of cash and stock due to robbery or accident will be authorized to be charged to profit and loss; and the only exceptions will be in cases which are really such as cannot be calculated upon in the usual operations of the Department.

ORDER.—Ordered that this Resolution be communicated to the Governments and Administrations noted in the margin* for information and guidance, and to the Governments of Madras and Bombay for information.
