No. 335. From the Superintending Engineer, 6th Division, to the Secretary to Government, Department Public Works, dated Tanjore, 5th October 1867, No. 977.

1. With reference to your Memorandum No. 212, dated 3rd instant, calling for a reply to G. O. No. 2,899, dated 18th September, relative to the stabling which exists for horses of the mounted branches of the services, I have the honor to inform that the Battery of Artillery at Trichinopoly is the only mounted corps, and there are no stables for the horses. An estimate of Rupees 17,500, providing for stabling, was sanctioned on the 1st February 1866, but no funds have been provided for the work.

G. O. No. 398.

2. There are some sick stables at Trichinopoly, but not being aware of the number of stalls, I addressed the Officer commanding the Artillery on the 25th ultimo, but have not yet received his reply, and as it would not appear that the G. O. under reply refers to sick stables, information regarding them is perhaps not required.

No. 929.

3. There are also some sick stables in the old Cavalry lines, but I am not aware of the number of stalls. These buildings are, I believe, now made use of by the Commissariat Department.

No. 336. From the Superintending Engineer, 7th Division, to the Secretary to Government, Department Public Works, dated Calicut, 24th September 1867, No. 109.

With reference to G. O. No. 2,899 of 18th September, I have the honor to report that the only Military Station in the 7th Division, at which stabling exists, is at Cannanore, where there is excellent shelter for the horses of a Field Battery of Artillery, not now required, as in future a Garrison Battery only will be quartered there.
