*Proceedings of the Madras Government, Public Works Department,
17th October 1867.*

No. 341. Read the following letter from the President of the Municipal Commission, Cocanada, to the Chief Secretary to Government, Fort St. George, dated Cocanada, 1st October 1867, No. 45:—

1. I have the honor to state that in the Municipality of Cocanada the want of a dumpy level, to ascertain the amount and direction of the fall in the streets previous to constructing drains, has been much felt.

2. The Engineer Department cannot, I have been informed, lend us one, I beg therefore that Government would do so from their Presidency Stores, or if that be objected, sell us one at prime cost. The Municipality will gladly pay for it.

Referred to the Public Works Department.
