*Proceedings of the Madras Government, Educational Department,
12th October 1867.*

No. 33. Read the following letter from the Director of Public Instruction, to the Chief Secretary to Government, Fort Saint George; dated Madras, 4th October 1867, No. 1942.

I have the honor to submit a letter from the Executive Engineer, Presidency, Southern Range, with an accompanying estimate of the cost of repairing the Madras Normal School-house and attached buildings; and I request that sanction may be given to the estimate.

2. As only Rupees 300 have been provided for the repairing of the school-house, the remaining Rupees 635 will have to be taken from provision for another building. I propose that the latter sum be drawn from the provision made for building a school-house at Trichinopoly.

From the Executive Engineer, Presidency, Southern Range, to the Director of Public Instruction; dated Madras, 2nd October 1867, No. 562.

Enclosures 3, viz.—
1 Estimate. 2 Abstracts.

I have the honor to submit the accompanying estimate for repairs to the Government Normal School and out-houses, and Principal's quarters.

2. No whitewashing has been taken up for the school as it is not considered to require it.
