No. 412. Read the following Proceedings of the Madras Government in the Military Department, dated 14th October 1867, No. 3,963.

Read the following papers :—

From the Right Honorable the Secretary of State for India, India Office, London, 25th July 1867, No. 203; to His Excellency the Right Honorable the Governor General of India in Council.

1. Your letter No. 104, dated 23rd April 1867, forwards correspondence which has taken place between your Government and the Governments of Madras and Bombay, consequent on the despatch, No. 80 of 1866, dated 17th April, on the question whether an officer, who while on leave in India may obtain leave to Europe with retention of a staff appointment, can retain such appointment for twenty months from the date of his departure from India or not.

2. It appears that the authorities at Bombay consider that an officer is entitled to retain an appointment for twenty months' absence on sick certificate from the date of his departure from India, irrespective of any previous leave he may have taken in India, while it is the rule at your Presidency, and that of Madras, that an officer, who while on leave in India proceeds to Europe without first rejoining his appointment, retains such appointment for twenty months only from the date of quitting it, the only excess allowed being the usual moderate period of preparatory leave to visit the Presidency.

3. I agree with your Government, that the course adopted in this matter in your Presidency and in Madras is the correct one, and I request that in future a similar course may be followed in Bombay.
