*Proceedings of the Madras Government, Public Works Department,
21st October, 1867.*

No. 420. Read the following letter from the Controller of Public Works Accounts, to the Secretary to Government, Department Public Works, dated Madras, 16th October 1867, No. 2,751 :—

1. I have the honor to point out to Government, that the services of the Officers named in the margin having been placed at the disposal of His Excellency the Commander-in-Chief for Military duty, they virtually forfeit their staff appointments in the Public Works Department, from the date on which they may be relieved of their respective duties.

- G. Os. 1st and 5th October 1867, Nos. 3,051 and 3,086.

2. It will be observed in paragraph 13, Section XIX, of the Military Pay and Audit Regulations, that only when a Staff Officer is *temporarily* withdrawn from his appointment on field or foreign service will he be entitled to half staff salary, or so much of that moiety as, together with any staff pay or Regimental command allowance he may be entitled to with the corps, shall not exceed the full staff salary of his substantive appointment.

3. I have thought it right to bring this circumstance to the notice of Government, as it has occurred to me that the omission of the word *temporarily* may have been inadvertent, and because I have learnt that one of the Officer's vacating his appointment is under the impression that he will draw half his staff salary during his absence.

No. 421. ORDER THEREON, 21st October 1867, No. 3,255.

ESTABLISHMENT, No. 55.

Ordered to be recorded.
