Proceedings of the Madras Government, Public Works Department
22nd October 1867.

No. 462. Read the following letter from the Acting Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 12th October 1867, No. 3,322:—

1 Bill for Rupees 40.

1. When Captain Magnay, Executive Engineer, assumed charge of the Madras Water Works project, he found certain Government stores appertaining to the works secured in a choultry, taken by Mr. Fraser for the purpose at a monthly rent of Rupees 20. As soon as Captain Magnay succeeded in hiring a house for himself, he removed the stores to his own premises, but two months elapsed before the choultry could be given up, and consequently two months' rent, or Rupees 40, became due, which Captain Magnay paid.

2. It appears that the Controller of Public Works Accounts has declined to admit the charge, but under the circumstances of the case I beg to request that Government will be pleased to grant the requisite authority for the sum being passed and charged to contingencies. A bill for the amount is enclosed.

No. 463. ORDER THEREON, 22nd October 1867, No. 3,276.

ACCOUNT, No. 46.

The bill is sanctioned, its amount, viz., Rupees 40, being charged to the Budget allotment for contingencies.
