*Proceedings of the Madras Government, Public Works Department,
23rd October 1867.*

No. 479. Read the following letter from the Acting Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 14th October 1867, No. 3,350 :—

1. I have the honor to report that I have made the following appointments to the grade of Talook Overseer, subject to the approval of Government :—

I. Apprentice Coopoosawmy Naidoo to Chittoor Range, North Arcot, vice Mauriappah Moodelliar, resigned.

II. Ruthnavaloo Moodelliar, Draughtsman, Vellore Range Office, to same Range, vice Rama Rao, Talook Overseer, Polur Range, resigned.

III. Runganathan Moodelliar, vice Mr. Dumphy, Talook Overseer, Chittoor Range, resigned.

2. The first man was retained as an Apprentice in the district under G. O. No. 3,572, of the 24th November 1865, his pay was increased temporarily to 30 Rupees per mensem under G. O. No. 599, of the 27th February 1867, and I have lately, in letter as per margin, requested that this increased salary might be con-

tinued. Mauriappah Moodelliar, the individual who was appointed to the talook as Overseer, and regarding whose appointment I reported in letter dated 6th September 1867, No. 2,764, acted very badly. After keeping the post open for him two months, he joined, and then within a week of taking charge of Palmanair talook he threw up, saying the climate would not agree with him. He did this because he has a temporary appointment of 30 Rupees per month in the Deputy Collector's Office at Salem. I should be glad if Government would authorize his non-employment again in the department.

3. Ruthnavaloo Moodelliar has been formerly a Sub-Overseer and Apprentice for two years in the North Arcot District, and for some short time in the Mysore Department of Public Works. Both these men are well spoken of, they have both passed as Sub-Overseers under paragraph 6 of the Notification of the 2nd March 1860, and I beg that their appointments may be confirmed subject, if the Government think fit, to their passing the Talook Overseer's test in one year.

4. The third candidate, Runganathan Moodelliar, was brought up under Lieutenant-Colonel Rundall, R. E., and was employed on works for a period of one and a half years in the Cuttack Irrigation Company. He is well spoken of, and is known to the Under Secretary to Government. I beg I may be allowed to employ him temporarily as a Talook Overseer, subject to his passing the College Test in one year.

No. 480. ORDER THEREON, 23rd October 1867, No. 3,285.

ESTABLISHMENT, No. 57.

The appointments reported in this letter are approved, subject to the parties concerned passing the prescribed test

within twelve months from date of entertainment.
