*Proceedings of the Madras Government, Public Works Department,
23rd October 1867.*

No. 481. Read the following letter from the Acting Superintending Engineer,
1st Division, to the Secretary to Government, Public Works Department,
dated Camp at Dowlaishweram, 14th October 1867, No. 152 :—

Plan. With reference to Memorandum
No. 207, dated 26th September 1867, I

have the honor to inform you that I have not yet received the standard and approved
plans for Head Constables' huts, promised in Government Order No. 1,868, dated
June 22nd, 1867, and that I do not myself know the kind of buildings required. I
have received a plan of a set of quarters from the Superintendent of Police, Rajah-
mundry; I do not approve of them. I would recommend that the materials used be
all of the best, as the building is required to be as permanent as the Jail itself. If
the Inspector General of Police agrees to the block plan, as designed by Captain
Robertson, and the Government order the quarters to be properly built, I will at
once have the necessary plans and estimates prepared.
