*Proceedings of the Madras Government, Public Works Department,
23rd October 1867.*

No. 483. Read the following letter from the Inspector General of Military Works to the Government of India, Public Works Department, to the Secretary to Government of Fort St. George, in the Public Works Department, dated Simla, 3rd October 1867, No. 1,079 M:—

1. In reply to your letter No. 2,704, dated 3rd September 1867, I am directed to state that the Governor General in Council sanctions, subject to the following remark, the estimate therewith submitted, amounting to Rupees 1,530, for One thousand five hundred and thirty rupees. converting one of the cook-houses of the Barracks on the Race Course at Bangalore into a wash-house and urinary for the Cavalry.

2. The urinary should be detached from the wash-house, as indicated in the standard plan, and not attached to it. In the latter case it has been found in this Presidency that, despite of precautions, the wall of the wash-house is defiled by the men and becomes saturated with urine.

3. The above sanction has been entered as No. 79M of 1867-68, in the Register of this Office. The plan and estimate are returned.

No. 484. ORDER THEREON, 23rd October 1867, No. 3,287.

MILITARY WORKS, No. 39.

1. Communicated to the Superintending Engineer of the 5th Division, with reference to the Order of the 3rd September 1867, No. 2,703.

2. Colonel Foord will give his particular attention to the orders in paragraph 2.

To The Secretary to Govt of Fort St. George
in the Public Works Department.

Simla 3rd October 1867

Sir

In reply to your letter No 2704 dated
3rd September 1867, I am directed to state that the
Governor General & Council sanctions, subject to
the following remark, the estimate therewith
submitted amounting to Rs. 1530 for converting one
of the Cook houses of the Barracks on the Race Course
at Bangalore into a Wash house and Urinary for
the Cavalry.

One thousand five
hundred & thirty Rs.

2 The Urinary should be detached from the
Wash house, as indicated in the Standard Plan,
and not attached to it. In the latter case it
has been found in this Presidency that, despite
of precautions the wall of the Wash house
