Traverser and permanent-way as per plan No. 594	...	8,177	
Machinery weighing-house as per plan „ 592	...	6,262

Rupees fourteen thousand five hundred and fifty-nine.

NORTH-WEST LINE.

District XI.

Gooty Station Traffic Manager's bungalow as per plan No. 574 Rupees 6,570
Rupees six thousand five hundred and seventy.

1. The weighing-house, with the apparatus for adjusting and determining the weight of locomotives and carriages, is much wanted at the Perambore Workshops, and the extension of the traverser is necessary in connection with it.
2. The iron piping from the tank-house to the Saw Mills is intended to save constant expense caused by the use of leather hose.
3. The revised plan and estimate for the Traffic Manager's bungalow are submitted with reference to paragraph 2 of G. O. No. 2,210, dated the 23rd July 1867. A reduction below the original estimate of Rupees 1,859 has been effected by the alteration of the plan for this building, the accommodation in which I consider to be as much as is needed.
4. With these remarks, I beg to submit the above estimates for the sanction of Government.
