No. 504. Read the following letter from the Superintending Engineer, 2nd Division, to the Secretary to Government, Department Public Works, dated Masulipatam, 12th October 1867, No. 97 :—

In reply to your Memorandum No. 210, dated 3rd instant, requesting me to expedite my reply to G. O. No. 2,363, dated 5th August, I have the honor to enclose a copy of a letter, dated 12th September, to the Controller, to which I have not as yet received any answer.

From the Superintending Engineer, 2nd Division, to the Controller of Public Works Accounts, dated Masulipatam, 12th September 1867, No. 40.

From the statement printed in G. O. No. 2,363, dated 5th August 1867, it appears that your annual appropriation and outlay accounts of Imperial and Local Funds show the following results :—

| <i>Kistna District.</i>  |     |     |     | RS.      |
|--------------------------|-----|-----|-----|----------|
| Imperial allotment       | ... | ... | ... | 2,65,512 |
| Expenditure in 1866-67   | ... | ... | ... | 2,57,853 |
| Saving                   |     |     |     | 7,659    |
| <i>Nellore District.</i> |     |     |     |          |
| Imperial allotment       | ... | ... | ... | 1,54,350 |
| Expenditure in 1866-67   | ... | ... | ... | 1,47,395 |
| Saving                   |     |     |     | 6,955    |

From the statement enclosed, you will find that the Imperial allotments of the Kistna and Nellore Districts for the past official year are Rupees 2,68,484 and Rupees 1,55,750, and the expenditure as compiled from the Progress Reports rendered to this Office by several Range Officers is Rupees 2,69,466 and Rupees 1,52,725 respectively, and you will thus see that the expenditure in the Kistna has exceeded the allotment by Rupees 982, and the saving in the Nellore District is only Rupees 3,035, (not 6,955 as exhibited in the statement printed in the G. O. above quoted). I therefore request you will have the goodness to inform me how the figures entered by you in the appropriation and outlay account under reference have been arrived at.

No. 505. ORDER THEREON, 24th October 1867, No. 3,298.

From the statement printed in

From the Statement enclosed you will  
find that the Imperial allotments  
of the Kistna and Nellore Districts
