*Proceedings of the Madras Government, Public Works Department,
25th October 1867.*

No. 551. Read the following letter from the Superintending Engineer, 2nd Division, to the Secretary to Government, Department Public Works, dated Masulipatam, 14th October 1867, No. 98 :—

1. Referring to G. O. No. 1,319, dated 2nd May, and G. O. No. 1,961, dated 2nd July 1867, I have the honor to inform you that Anicut Superintendent S. Sembhulingum's health has been so seriously affected by the climate of Bezoarah, that he requests to be made an Overseer on the present rate of pay rather than retain his present appointment. I hope Government will accede to his request, and appoint him *vice* M. Parthasarthy, Acting Overseer in the Kistna District. Should increased pay be sanctioned, I trust he may have the benefit.

2. I regret to say I am unable to procure any fitting man who is willing to take the post of Anicut Superintendent, so long as the question of pensions to Conservancy and Delta Establishments remains unsettled. I propose to appoint the Acting Overseer whom Sembhulingum supersedes, to act nominally in that capacity, as a temporary measure, on 30 Rupees per mensem, though the real charge will remain with G. Venkutrow, who is the most fitting man I have for the important work it entails.

No. 552. ORDER THEREON, 25th October 1867, No. 3,317.

ESTABLISHMENT, No. 68.

His Excellency the Governor in Council sanctions the arrangements proposed by the Superintending Engineer of the 2nd Division, on the understanding that Anicut Superintendent S. Sembhulingum is physically qualified to discharge the duties of a Talook Overseer.
