No. 27. Read the following letter from the Officiating Superintending Engineer, 8th Division, to the Secretary to Government, Department Public Works, dated Madura, 25th January 1867, No. 1,837 :—

1. I have the honor to report that the arches having been all turned at the Shunmuganadi bridge, in progress on Budget item No. 156, Part II. of the current year, the centering timbers have been taken into store. These are the same that were prepared for the Amaravutty bridge, which was commenced in the year 1855-56, and the timber has considerably deteriorated during the past eleven years.

2. The original valuation was Rupees 1,299-13-5, and the present value of the serviceable wood is computed to be Rupees 674-11-7. In accordance with G. O. No. 1,448 of the 3rd August, and the Chief Engineer's Circular No. XLVII. of the 23th September 1861, I have directed the Range Officer to dispose of the unserviceable timber; the sale proceeds to be credited to Government, while the stock value of the remainder is to be entered as Rupees 674-11-7.

No. 28. ORDER THEREON, 2nd February 1867, No. 331.
