*Proceedings of the Madras Government, Public Works Department,
28th October 1867.*

No. 599. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Camp at Dowlaishweram, 17th October 1867, No. 155 :—

1. In this office letter No. 215 of 21st December 1866, printed with G. O. No. 137 of 15th January 1867, it was reported that Mr. Hudson, formerly in charge of the Vizianagrum Range, was responsible for Rupees 104-2-0 which he spent on the work of the chancel to the Vizianagrum church in the purchase of wood wholly unfit for the ceiling, and which was rejected by Captain Smalley, and in making advances to stone-cutters which are irrecoverable. On writing to the Superintending Engineer of the 7th Division, to which Mr. Hudson was transferred from this Division, on the subject of the sum to be recovered, I am informed that Mr. Hudson has been dismissed from the Department of Public Works, consequently I see very little chance of recovering the amount in question.

2. I have therefore the honor to request permission to exceed the estimate of the chancel by about Rupees 104-2-0.

No. 600. ORDER THEREON, 28th October 1867, No. 3,340.

ACCOUNT, No. 57.

As Mr. Hudson is now employed at Bangalore, Captain Beckley will communicate with the Superintending Engineer of the 5th Division on the subject of this letter.
