*Proceedings of the Madras Government, Public Works Department,
2nd February 1867.*

No. 33. Read the following letter from the Officiating Superintending Engineer, 8th Division, to the Secretary to Government, Department Public Works, dated Madura, 21st January 1867, No. 1,796 :—

1. With reference to paragraph 2 of G. O. No. 4,037, of the 21st December 1866, I have the honor to explain, that the investigation as to Government servants holding lands in the district in which they are employed, was taken up by me on receipt of G. O. No. 1,451 of the 5th May 1866, and the statement for the year 1865-66 was already due, so that I could only furnish it as matters stood on the 30th April. Instructions were then given by me, that every person who held land should dispose of it, or apply for transfer to another district, and the result of this will be seen when the statement for the current year is made up.

2. Referring to paragraph 5 of the same G. O. quoted above, action was taken at once in the case of Kaliasoondra Moodelly, who sold his lands in the following month, and this being simply in compliance with a direct Order of Government, no special report was made. Nagalingum Pillay has also disposed of the lands that he owned.

No. 34. ORDER THEREON, 2nd February 1867, No. 334.

ESTABLISHMENT, No. 6.

The explanations afforded in this letter by the Superintending Engineer of the 8th Division are satisfactory.
