*RESOLUTION BY THE GOVERNMENT OF INDIA.
Financial Department, dated 29th December 1866, No. 2,610.*

Read the following:—
From the Secretary of State for India, to the Government of India, dated 16th November 1866, No. 264.

1. I have received and considered in Council your financial letter, dated the 25th July last, No. 164, enquiring whether an Uncovenanted Servant may be allowed accumulated leave on private affairs for one year after a service of twelve years, or an accumulated furlough of two years after a service of eighteen years.
2. I concur in the opinion of your Government, that the present rule, under which an Officer may be granted leave on private affairs for six months with half-pay at intervals of six years, is sufficiently liberal, and I am unable to sanction the accumulation of such leave to twelve months; but I have no objection to an Officer being allowed the option of taking his two years' furlough in two periods as at present, or in one period after eighteen years' service.

No. 49. ORDER THEREON, 2nd February 1867, No. 342.
