Proceedings of the Madras Government, Public Works Department, 5th February 1867.

Read the following papers :—

No. 87. From the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 31st December 1866, No. 3,809 :—

1. I have the honor to lay before Government, for sanction, a plan and an estimate, amounting to Rupees 2,970, for erecting a Police Hospital at Chittoor, in the North Arcot District.

1 Plan.
1 Abstract.

2. This was called for by the Deputy Inspector General of Mofussil Police so far back as December 1863, who pointed out that the erection of a second class Hospital at Chittoor had been approved by Government in their Order No. 108, dated 2nd January 1863.

3. The delay in maturing the project has arisen from the design having had to be frequently revised, so as to reduce the estimate to the lowest possible amount, as Mr. Robinson stated that he was unwilling to spend more than Rupees 2,000 upon the building in question, and it was found impracticable to make a design for that amount consistent with the provision of proper accommodation for the patients.

4. The plan now forwarded, which has received the approval of the Inspector General, provides no Surgery or Cook-room.

5. In respect to funds, Captain Carr writes "that no funds are available this "year for the Chittoor Hospital, but that funds can be apportioned from the Budget "grant for 1867-68."

Referred to the Judicial Department.
