CIVIL WORKS, No. 14.

As, by the exceptional arrangements under which Mr. Fraser is now employed, the Government are not kept informed of the progress of the works under his executive charge, and have no means of knowing how the preparation of the plans and estimates for the several projects which he has in hand are being proceeded with, His Excellency the Governor in Council resolves to cancel the orders* establishing those arrangements, and to direct that Mr. Fraser shall place himself under the orders of the Superintending Engineer of the 4th Division. Colonel Boileau will make such re-arrangements as he may consider necessary to relieve Mr. Fraser from those duties which may be efficiently performed in the usual course by the Range Officers, and will take measures to ensure the earliest possible submission by Mr. Fraser of the projects referred to.
