*Proceedings of the Madras Government, Public Works Department,
7th December 1867.*

No. 140. Read the following letter from the Consulting Engineer for Irrigation and Canal Company, to the Secretary to Government, Department Public Works, dated Madras, 22nd October 1867, No. 102:—

1. I have the honor to submit, for the orders of Government, the correspondence as per margin* on the subject of the next stock-taking of the Madras Irrigation and Canal Company's Stores, the time for which is now approaching.
- * From Agent, No. 307, 11th instant.
To " " 179, 15th "
From " " 315, 18th "

2. In his first letter the Agent proposed the 1st November as the date for the stock-taking to commence, but as this would have left insufficient time to make the arrangements, and as, since the change in the official year, the 1st November is no longer the beginning of a quarterly period, I suggested the 2nd January, and in this Mr. Henslowe concurs.

3. The depôts of stores to be examined are more numerous than was the case last year. They are at Soonkasala.

Kurnool (Hindry).
Ulloor.
Puggydial.
Bowanassy.
Ayulloor.
Donapad.
Dhoor.
Madras.

The stores at Cuddapah are not likely to need examination this year, work not having as yet been commenced. At Nellore and Somaiswaram the stock, the Agent states, stands nearly the same as it did last year, and there is now no Resident Engineer in that division. In the Bellary division there are but few stores, other than instruments in use, and the Engineers are likely to be engaged in reservoir investigations, so that it would be inconvenient to require an examination there.

4. The stores at Soonkasala, Kurnool, Ulloor, Puggydial, and Bowanassy may conveniently be examined by one Officer, whose remuneration may, as before, be Rupees 350; it will be better, however, if possible that the stock-taking at the Ayulloor, Donapad, and Dhoor stores should be conducted by a second Officer, and perhaps Rupees 150 would be a fair remuneration. Another Officer will be needed for the Madras stores, and he should, as on the last occasion, receive Rupees 150.
