*Proceedings of the Madras Government, Public Works Department,
7th December 1867.*

No. 142. Read the following letter from the Superintending Engineer, 6th Division, to the Secretary to Government, Department Public Works, dated Tanjore, 25th November 1867, No. 1,281 :—

1. I have the honor to inform you that a sum of Rupees 14 was paid in January last on account of the fee, &c., for registering the Title deed of the ground purchased for the Apothecary's quarters attached to the Royal Artillery at Trichinopoly, for which a sum of Rupees 360 was sanctioned in G. O., No. 143, dated the 16th January 1865. The sum should, under G. O., No. 639, dated the 7th March

1865, be charged to the sundries of the estimate* for the construction of the Apothecary's quarters on account of

which the land was purchased, but this cannot now be done as the work was completed before April 1866.

2. The registration of the deed was delayed owing to the ownership of the land purchased having been disputed, and the registration could not be effected till the settlement of the question relative to the ownership. I request, therefore, that the expenditure of Rupees 14 adverted to above, which is at present debited to the head of Miscellaneous Advances, in the accounts of the 1st Range, Trichinopoly, may be passed as a special case.

No. 143. ORDER THEREON, 7th December 1867, No. 3,810.

ACCOUNT, No. 12.

The charge of Rupees 14 referred to in this letter is sanctioned.
