MILITARY DEPARTMENT.
PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

From the Quarter Master General, Fort Saint George, 22nd November 1867, No. 7469; to the Secretary to Government, Military Department.

The Commander-in-Chief has the honor to request that the sanction of Government may be accorded to the building within mentioned, being sold to the Department of Public Works at Mysore for Rupees 732.

2. The building is borne on the returns of Public Military buildings and will be struck off when the sanction of Government to its sale is received.

From the Acting Commissary General, Madras, 20th November 1867, No. 6363; to the Quarter Master General, Fort Saint George.

I have the honor to forward in original a letter dated 11th November 1867, from the Com-

No. 191.

missariat Officer in charge of the "Amrut Mahal" at Hoonsoor, enclosing one from the Executive Engineer, Mysore Division, proposing to purchase a Commissariat building at Hoonsoor, which is no longer required by this

No. $\frac{513}{47}$ of 4th November 1867.

Department, and beg to recommend that it may be disposed of at the estimated price mentioned by that Officer viz., Rupees 732.

2. This building was originally erected by a Commissariat Staff Serjeant stationed at Hoonsoor, and was purchased from him for the occupation of his successor in the year 1856, for Rupees 429-12-0, the actual cost of the building.

From the Acting Assistant Commissary General, Camp, Chickmogolore, 11th November 1867, No. 191; to the Commissary General, Madras.

In forwarding original letter from Executive Engineer, Mysore Range, I have the honor to explain that on an application from him, I stated that the house lately occupied by Mr. Taylor Buff, Superintendent, might, I thought, be sold to the Mysore Government for an Overseer's lodge.

You will see that Lieutenant Bowen has had its value estimated at Rupees 732: I would recommend its being sold, as I do not think it is likely to be required for the use of the Commissariat Department.

From the Executive Engineer, Mysore Division, 4th November 1867, General No. $\frac{513}{47}$; to the Assistant Commissary General.

In reply to your letter No. 122 of the 18th September, I have the honor to inform you, that Overseer Scully values the building in question at Rupees 732-0-0, and if you will kindly let me know if you can hand it over to the Department Public Works at that figure, I will request the Chief Engineer's sanction to the transaction.

ORDER, No. 4645, 3rd December 1867.

Sanctioned accordingly.
