*Proceedings of the Madras Government, Public Works Department,
9th December 1867.*

No. 188. Read the following letter from the Superintending Engineer, 6th Division, to the Secretary to Government, Department Public Works, dated Tanjore, 29th November 1867, No. 1,304:—

1. I have the honor to submit, for the orders of Government, the enclosed bill for Rupees 33-10-6, on account of railway charges incurred by Supervisor Coomarathavoo Moodelli for bringing a pony from Madras to Negapatam and back to Needamungalum.

2. When Coomarathavoo Moodelli reported his arrival at Tanjore, I was on circuit in the Tritrapundy talook, and he was consequently directed to join my camp at Negapatam, where he received instructions to proceed to No. 5 or Lieutenant Livesay's Range.

3. The Controller has objected to the charge, and I am aware that for similar charges no provision is made in the Travelling Allowance Rules. As, however, the Supervisor would have been useless without his pony, I beg that the railway charges for the conveyance of the pony may be sanctioned from the general allotment for contingent charges.

No. 189. ORDER THEREON, 9th December 1867, No. 3,833.

ESTABLISHMENT, No. 17.

As the Travelling Allowance Rules do not provide for the subordinates of the department recovering charges incurred by them in conveying their horses by rail, the Government must decline to pass the bill submitted with this letter.
