MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter :—

From the Quarter Master General, Fort Saint George, 2nd December 1867,  
No. 7691; to the Secretary to Government, Military Department.

I have the honor, by order of the Commander-in-Chief, to request the sanction of Government to the demolition of the bastion close to the Royapooram lines.

2. The Officer Commanding Centre Division reports that the bastion abuts on the ground that will be occupied by the huts of No. 1 Company of the 3rd Regiment Light Infantry, and will, to some extent, interfere with their free ventilation.

3. The question was then referred to the Sanitary Commissioner, who considers the removal of the bastion essentially necessary on sanitary grounds.

4. The Executive Engineer estimates the cost of removal at Rupees 500 if the services of the men of the Corps are made available, but the Officer Commanding the 3rd Regiment states that he is prepared to remove the bastion at the cost\* of powder only, with the assistance of an Engineer subordinate, to show him where to make and charge the chambers.

5. His Excellency recommends that Colonel Freese be authorized to carry out his proposal.

6. The debris of the bastion will be turned to use in the construction of the lines, levelling the ground, &c.

ORDER, No. 4661, 4th December 1867.

Sanctioned as proposed in paragraph 5.
