*Proceedings of the Madras Government, Public Works Department,
10th December 1867.*

No. 216. Read the following letter from the Superintending Engineer, 5th Division, to the Secretary to Government, Department Public Works, dated Cuddalore, 4th December 1867, No. 190 :—

1. I have the honor to report that a Government Promissory Note for 800 Rs. has been forwarded to me by the Assistant Engineer of the Salem Range. This Note was found among the records of the Salem Range, having been deposited, as additional security, with the late Captain Gahagan by one Mr. Bake, when he undertook to supply timber for the Salem Jail.

2. It appears from the copy of the contract Bond in the office, that the Note was to be forfeited in the event of the timber not being supplied within the stipulated time. There is no doubt that Mr. Bake failed in his contract. The present Range Officer states that he did not receive any information about this Note or Mr. Bake's tender at the time he took charge, but that Mr. Bake had already ceased to supply timber.

3. It was intimated to Mr. Bake several months ago, that he had forfeited the Promissory Note deposited by him, and no reply has been received from him. I request, therefore, I may be informed whether I shall send the Note for deposit to the Salem treasury.

No. 217. ORDER THEREON, 10th December 1867, No. 3,848.

ESTABLISHMENT, No. 19.

The Superintending Engineer of the 5th Division is requested to furnish a copy of the deed of Contract entered

into by Mr. Bake, together with a full report of the circumstances connected with the case, and of the grounds upon which he considers Mr. Bake to have failed in his engagement. He will also furnish particulars of the quantity of timber contracted to be supplied and of that actually delivered, as also of the several payments made to Mr. Bake.
